

T Series

Sunlite 40 Watt Antique Radio Style T12, Medium Base, Clear

Filament Radio Style T12

DESCRIPTION:

Sunlite, 40 watt incandescent medium based carbon filament antique Style T12 bulb works with most 120 volt lighting fixtures, and will last for an average of 1.1 years. Set the mood with this vintage looking bulb. This tube style bulb mimics the vacuum tubes used in classic radios. The warm amber glow of its hand woven spiral filament creates an ambiance that sets a welcoming tone for any classic interior. Meticulously crafted to preserve the look of early 20th-century lighting, this tungsten filament bulb is the perfect complement to any vintage or contemporary decor. Perfect for hotel, theater, restaurants & other themed venues.
