

**B Series****Sunlite 60 Watt Krypton Torpedo Tip  
Chandelier, Candelabra Base, Clear**

Chandelier

**DESCRIPTION:**

*Sunlite, 60 watt incandescent candelabra based torpedo tip chandelier Krypton long Life bulb works with most 120 volt lighting fixtures, will provide 580 lumens of light output, and will last for an average of 1.3 years. This bulb features a Torpedo Tip clear finish that provides a bright, crisp light. Krypton bulbs create a bright white light, similar to halogen lamps. Unlike halogen lamps, however, which do not work well with dimmers, Krypton bulbs like standard incandescent ones work perfectly with light dimmers. Also, they last longer than standard incandescent bulbs, maintaining their lumen output for the full course of their life. Incandescent lighting is commonly used for decorative, office, residential, commercial and special purpose lamps. These bulbs are also great for decorative and special purpose lighting applications.*
