Watts (100W Equivalent), 2000 Lumens,
Adjustable 5 CCT 2700K-5000K, 120V,
Dimmable, 50,000 Hour Lifespan,
Brushed Nickel**

DESCRIPTION:

The Sunlite Decorative Ceiling Light Fixture is a simple fixture that combines a classic look with modern features. With its frosted round diffuser, brushed nickel accents, and versatility; makes it perfect for bathrooms, kitchens, entryways and anywhere else around your home. With integrated LED boards and suitability for damp areas, not only will it save you money on your electric bill, but also provides a strong functional light output. With its adjustable color changing technology (3000K, 4000K, 5000K), making our fixture the perfect light fixture for those new renovation projects; without breaking the bank!

FEATURES:

- **CLASSIC DESIGN-** The Sunlite Decorative Flush Mount Ceiling Light fixture combines a classic finish and minimal shape, making for a lovely fixture. The frosted acrylic round diffuser provides the perfect light distribution, while still making the clean lines of the dual brushed nickel bands a center focus.
- **LOW PROFILE & POWER EFFICIENT:** Only 18 inches in diameter, this fixture has a low profile with a modern minimalistic design. It easily blends in with any open space. Perfect for spaces with little lighting. Awesome with low ceiling designed areas as well! This fixture only draws 28W of power yet emits enough light equivalent to two 75 W incandescent light bulbs. Simple but with amazing brightness due to its Lumen output of 2000!
- **ADJUSTABLE COLOR TEMPERATURE:** Each fixture has adjustable LED color changing technology (2700K, 3000K, 3500K, 4000K, 5000K). Meeting different demands in areas that require more lighting or less lighting done easy. No need to purchase multiple fixtures with different color temperatures! This could easily be done with a switch inside the fixture. **PLEASE NOTE:** select the desired color temperature before completely mounting the fixture. (instructions included).
- **DAMP LOCATED & CONVENIENT:** This flush mount ceiling light is suitable for damp locations, which is ideal for areas like kitchens or bathrooms. Since the color temperature can be easily adjusted; you can meet different demands in areas that require more coverage lighting like bedrooms, hallways, guestrooms, and garages. Great for small spaces like pantries and walk-in-closets.
- **EASY INSTALLATION & LONG SERVICE LIFE:** Designed to be installed with the mounting plate, all it takes is a simple screwdriver to mount the plate. Twist the decorative
