

Sunlite 87784 LED 12 Inch Dual Band Ceiling Light Fixture, Decorative Semi-Flush Mount, 15 Watts, 1050 Lumens, Adjustable 3 CCT 3000K-5000K, Dimmable, 50,000 Hour Lifespan, Oil-Rubbed Bronze

Solid

DESCRIPTION:

The Sunlite Decorative Ceiling Light Fixture is a simple fixture that combines a classic look with modern features. Its frosted round diffuser oil rubbed bronze accents, and versatility; make it perfect for bathrooms, kitchens, entryways, and anywhere else around your home. Integrated LED boards and suitability for damp areas will save you money on your electric bill and provide a stable, functional light output. With its adjustable color-changing technology (3000K, 4000K, 5000K), this feature would make the perfect light fixture for those new renovation projects; without breaking the bank!

FEATURES:

- **CLASSIC DESIGN-** The Sunlite Decorative Semi Flush Mount Ceiling Light fixture combines a traditional finish and minimal shape, making for a lovely fixture. The frosted acrylic round diffuser provides the perfect light distribution while still making the clean lines of the dual oil rubbed bronze bands a center focus.
- **LOW PROFILE & POWER EFFICIENT:** Only 12 inches in diameter, this fixture has a low profile with a modern minimalistic design. It easily blends in with any open space. Perfect for rooms with little lighting. Excellent with low ceiling-designed areas as well! Simple but with exceptional brightness due to its Lumen output of 1050! This fixture only draws 15W of power yet emits enough light equivalent to an 80W incandescent bulb).
- **ADJUSTABLE COLOR TEMPERATURE:** Test different color temperatures before installation and never be dissatisfied with CCT again. This simplistic fixture has adjustable LED color-changing technology (3500K, 4000K, 5000K), quickly meeting different demands in areas. With a simple switch inside the fixture, the color temperature is adjusted to your desire. **PLEASE NOTE:** select the desired color temperature before completely mounting the fixture. (Instructions included).
- **DAMP LOCATED & CONVENIENT:** This flush mount ceiling light is suitable for damp locations, ideal for areas like kitchens or bathrooms. Adjusting the color temperature can be quickly done; you can meet different demands in the regions that require more coverage lighting like bedrooms, hallways, guestrooms, and garages. Great for small spaces like pantries and walk-in closets
- **EASY INSTALLATION & LONG SERVICE LIFE:** Designed to be installed with the mounting plate, all it takes is a simple screwdriver to mount the plate. Twist the decorative nuts to mount the diffuser to the plate. (Complete
