

**Sunlite 88152 Replacement Glass Globe
For VT100/VT A100 Light Fixtures,
Frosted Red, Heavy Duty Glass,
Indoor/Outdoor Use, Surface or Wall
Mount Weather Tight Fixtures,
Commercial, Industrial Grade**

DESCRIPTION:

These replacement glass globes for VT100/VT A100 weather tight fixtures are made from heavy duty glass designed to withstand all weather conditions. The frosted red jelly jar glass globe can be used for signaling or warning lights on machinery or in commercial environments. Vibrant colors put off a clear message and can be used with any incandescent or LED bulb underneath. For use in surface or wall mount vapor proof light fixtures. Globe measures 6.68 inches (H) x 3.37 inches (D).

FEATURES:

- **VIVID COLOR** - This frosted red globe allows a standard incandescent or LED bulb to put out a clear signal or warning message.
- **HEAVY DUTY GLASS** - Designed for indoor or outdoor use. These globes are made from heavy duty glass designed to withstand all weather conditions.
- **VARIETY OF USES** - This frosted red jelly jar glass can be used for signaling or warning lights on machinery or in commercial environments.
- **FOR VT100/VT A100** - Designed to work with VT100/VT A100 fixtures that are wall or surface mounted.
- **STANDARD SIZING** - These VT100/VT A100 glass jelly jar globes measure 6.68 inches (H) x 3.37 inches (D)
