

**Sunlite 88161 8â€ LED Outdoor Mini  
Wall Pack Light, Commercial &  
Residential Dusk to Dawn Photocell Wall  
Sconce, 5000K Super White, 8W, 1048  
Lumens, IP65, Exterior for Yards,  
Driveways & Porches**

**DESCRIPTION:**

*The Sunlite LED Outdoor Commercial & Residential pack lights are the ideal replacement light for traditional outdoor wall lights. Equivalent to 100 watts, our area lights combine visual consistency, energy efficiency LEDs, long-term reliability, and rugged durability. With these remarkable qualities, our fixtures are built to last for many years to come! Best for placing outside of office buildings, warehouses, storage units, and more. Remarkable for entrance lighting, courtyard lighting, industrial lighting, garage lighting, security lighting, and many more!*

**FEATURES:**

- **FOR LARGE AREAS** â€“ The Sunlite LED commercial pack lights are ideal for traditional exterior lights using Metal Halide bulbs or HPS fixtures. Equivalent to 150 watts, our pack lights combine optical consistency, energy-efficient LEDs, and long-term reliability. It can be used in areas that need a lot of illumination. Best for placing outside of office buildings, warehouses, storage units, and more. Could be a great addition to providing better lighting and security for businesses.
- **DURABILITY** â€“ Built to last and withstand harsh environments, our outdoor wall packs are constructed of a rugged die-cast aluminum housing that is completely sealed and corrosion-resistant. The low profile and lightweight, compact design help keep water and environmental dust-out. With a rating of IP65 water-resistant, the area lights can withstand wet environments and challenging weather conditions.
- **MANY APPLICATIONS** â€“ With an 120v-277 LED Driver, built in photocell for automatic dusk to dawn operation, and durability, the outdoor area lights can work well in many applications. With its bright LEDs and its high lumen output of 1048, our lights are great for entrance lighting, courtyard lighting, industrial lighting, garage lighting, security lighting, and many more!
- **EASY INSTALLATION** â€“ The LED wall pack LED arrives with preconfigured junction box knockouts for fast and easy installation.
- **UL Listed-** Tested to meet UL's rigorous safety and quality standards for use in wet locations. With an IP65 weatherproof rating, it can be installed and left outdoors in any weather conditions all year round.

## SPECIFICATIONS:

### General Characteristics

Average Rated Hours	50000
Finish	Bronze
Average Life Span Years	46
Dimmable	No
Material	Aluminum
Lens Finish	Clear

### Electrical Characteristics

Watts	8
Volts	120-277

### Light Characteristics

Lumens Brightness	1048
Color Rendering Index CRI	70
Emitted Color	Super White
Color Temperature Kelvin	5000K

### Fixture Characteristics

Mounting	Wall
Photo Control	Yes
Fixture Technology	LED
Use Location	Outdoor

### Product Dimensions

Item Dimension (in)	(W) 5.5 (H) 8.2 (D) 3.4
Package Dimension (in)	(W) 8.5 (H) 5.75 (D) 4
Package Weight (lb)	2.35

### Product Data

Case Unit Rate	10
Item UPC	653703881614
Warranty Years	5
