

Sunlite 88672 20" LED Hanging Pendant, Mid-Century Modern Wood Drum Fixture, Adjustable 3 CCT 3000K-5000K, 1500 Lumens, 25 Watts, Dimmable, ETL Listed, Round Acrylic Diffuser, Brushed Nickel Canopy

Wood

DESCRIPTION:

The Sunlite LED Wood Drum Pendant is a simple fixture that combines a mid-century look with modern features. Its frosted round diffuser, brushed nickel accents, and cream-colored shade make it beautiful. With its integrated LED boards and suitability for damp areas, this fixture is ideal for kitchens, bathrooms. Perfect as a primary light source in a living room, entryway, or bedroom.

FEATURES:

- **CLASSIC DESIGN** - The Sunlite Wood Flush Hanging Pendant fixture combines a traditional finish and minimal shape, making for a beautiful fixture. The frosted acrylic round diffuser provides the perfect light distribution while still making the wooden panels the center focus. Ideal in areas that require more coverage lighting like bedrooms, hallways, guestrooms.
- **MID-CENTURY MODERN DESIGN** - This design movement became popular after WWII and has been the trendiest design for the modern era. This stylish interior design is often associated with exciting but not bright colors using wood or metals and combining them with textured fabrics. You can take elements of this interior style and make it work in just about any type of home. With adjustable color temperatures of 3000K, 4000K and 5000K, our Drum fixtures are designed to give a warm feel to homes, hotels, lobbies, and offices.
- **POWER EFFICIENT** - Only 20 inches in diameter, easily blends in with any open space. Perfect for rooms with little lighting. The bottom diffuser distributes even and inviting light. Fantastic with a low ceiling designed areas as well. The ceiling light only draws 25W of power yet emits enough light equivalent to two 40-watt light bulbs. Simple but with exceptional brightness due to its Lumen output of 1500.
- **DURABLE & ETL LISTED** - This minimal drum pendant ceiling light is suitable for damp locations, ideal for areas like kitchens or bathrooms. The flush mount is made of high-quality metal and acrylic, which guarantees lifetime durability. The product meets strict high-quality standards to be safe and reliable for many years to come. The flush-mount is ETL listed for safety standards for indoor location use.

INSTALLATION - Designed to be installed with the included mounting hardware. All it takes is a simple screwdriver to mount the center decorative nut to mount the fixture (mounting steps will be included).
