

Sunlite 04901-SU Vaporproof Industrial Jar Fixture, Ceiling Mount, Medium Base Socket (E26), 200W Max, 120 Volt, Outdoor, UL Listed, Clear Glass Jar, Metallic Finish

Vaporproof

DESCRIPTION:

Sunlite Vaporproof Industrial Fixtures are the ultimate solution for your outdoor lighting needs. Single medium base socket (E26) for use with 200 max wattage A19 bulb (not Included). Fixture body and protective cage are made from rust-proof aluminum. Light bulb is protected inside a vapor tight clear glass jar. Great for commercial buildings, garages, factories, warehouses, barns, and more. Use for security, perimeter or task lighting. UL Listed for wet location installation. Operates on 120 Volt electrical service. Installation hardware and instructions are included. Fixture is 11.60 inches high, 5.5 inches in diameter.

FEATURES:

- **VAPORPROOF JAR** - This rugged vaporproof jar fixture is built for years of reliable service. Industrial grade materials meet functional design. Fixture is 11.60 inches high, 5.5 inches in diameter.
- **MEDIUM BASE** - Single medium base socket (E26) for use with 200 watt (max) A19 bulb (not Included).
- **CEILING MOUNT** - Designed to be ceiling mounted to a standard junction box or direct surface mounted and wired through any of the 4 conduit openings on the base.
- **WEATHER-PROOF CONSTRUCTION** - The durable, rustproof aluminum body and weather-tight design makes it an ideal outdoor lighting solution. Use for security, perimeter, or task lighting. Great for commercial buildings, garages, factories, warehouses, barns, and more.
- **UL LISTED** - This fixture is UL Listed for wet location installation rated. Operates on 120 Volt electrical service.
