

Sunlite 07076-SU Vintage-Inspired Pipe Wall Sconce, Steampunk Industrial Light, Waterpipe Fixture, Rustic Farmhouse Retro Style, Antique Metal Art, 5 Medium Base Sockets (E26), Iron Rust Finish 5 Lamp Piping System

DESCRIPTION:

As decorative as it is functional, this 5 socket piping system wall fixture has a unique vintage industrial feel. Iron rust finish and decorative gauge detail lend an authenticity. Creates a conversation wherever it's installed. Ideal for living spaces, dining rooms, hotel rooms, bars, restaurants, or any space with a rustic design aesthetic. Connect to a dimmer switch and adjust the amount of light to suit your mood. Get creative and pair it with medium base incandescent or LED Edison Style bulbs (not included). Installs on any standard junction box. Includes assembly instructions and mounting hardware. Assembled dimensions (W) 5. 00 (H) 20. 00 (D) 42. 00 inches.

FEATURES:

- **VINTAGE INSPIRED** – This industrial waterpipe wall sconce will bring a retro vibe to any space. Beautiful details lend an authenticity like the metal pipping system and decorative gauges, not seen in modern times. Evoke the early 20th century when you pair it with incandescent or Sunlite LED Edison Style bulbs of any shape. Medium (E26) base. 60 Watt maximum. (Bulb not included).
- **INDUSTRIAL LIGHTING DÉCOR**- This decorating style is reminiscent of old factories or workshops. Modern Industrial interior design is often associated with lofts, apartments, and city dwellings. However, you can take elements of this interior style and make it work in just about any type of home. The vintage design gives a rustic feel to hotel waiting areas, modern office areas, outdoor establishments, or anywhere installed.
- **METAL WALL ART** - Creates a conversation wherever it's installed, home or business. Ideal for living spaces, dining rooms, hotel rooms, bars, restaurants, or any space with a rustic design aesthetic. This fixture will provide years of stylish service. This wall fixture was designed to be installed directly to a standard junction box on any wall.
- **DIMMABLE** - Connect to a dimmer switch and adjust the amount of light to suit your mood. Get creative and pair it with medium base incandescent or LED Edison Style bulbs (not included).
- **EASY TO INSTALL** - Includes assembly instructions and mounting hardware. Assembled dimensions (W) 5. 00 (H) 20. 00 (D) 42. 00 inches.
