

G Series**Sunlite 60 Watt Silver Bowl G40 Globe,
Medium Base, Clear**

G40 Globe

DESCRIPTION:

Sunlite, 60 watt incandescent medium based G40 globe silverbowl bulb works with most 120 volt lighting fixtures, and will last for an average of 1.3 years. This silverbowl light bulbs are used as a directional light source. The lamps can be used in settings such as restaurants, prayer houses, warehouses, as well as residential areas. The silverbowl lamp creates a warm welcoming setting when entering a room. silverbowl lamps are a wonderful way to direct light to reduce glare and eliminate direct light. The attractive silverbowl Finish reflects the light upward into the fixture to create a more pleasing and romantic atmosphere. Incandescent lighting is commonly used for decorative, office, residential, commercial and special purpose lamps. These bulbs are also great for decorative and special purpose lighting applications.
