

LED Construction String Light 100' 10 Lamps

80423-SU

Sunlite's 130W LED construction string lights deliver 16,000 lumens of powerful, 5000K illumination, helping you save over 85% on electricity costs. Designed for both durability and portability, each of the 10 shatterproof lights is spaced 10 feet apart with hooks for easy setup, and a 9.5-foot lead cord allows you to connect multiple strings together for larger coverage. These linkable lights are built tough with industrial-grade cable and an IP65 waterproof rating, making them perfect for construction sites, garages, workshops, and more, providing a reliable, energy-efficient lighting solution that's made to last.

Technical Specifications

Construction

Fixture Material	Plastic
Fixture Finish	White
Lens Material	Plastic
Lens Finish	Frosted
Shape	Round

Electrical

Input Voltage	120Vac
Operating Frequency	60Hz
Input Current	NA
LED Chip Manufacturer	Philips 2835
Wattage	130
Dimmable	NA

Light Characteristics

Lumens Brightness	1600 LM X 10 = 16000
Color Rendering Index (CRI)	80
Color Temperature Kelvin	5000K
LED Chip Manufacturer	Philips 2835
Wattage	130
Dimmable	NA
Color Rendering Index (CRI)	80
Beam Spread	
Lifespan (L70)	50,000 hours

Ratings / Certifications

Safety Certification	UL
Safety Rating	Wet Location (IP65)
Operating Temperature	120C
FCC	FCC Part 15, Subpart B
Warranty	5 years

Product Dimensions

Item Dimension (in)	3.44 (h) 3.94 (w) 100 ft Cords
