

Sunlite 04046-SU Power Strip with Surge Protection, 270 Joules, 6-Outlets, 3-Foot Cord, Plastic, For Home, Office, Dorm Rooms, UL Listed, Ivory Color

DESCRIPTION:

Sunlite Power Strips with Surge Protection guard your valuable electronics, computers, and appliances from harmful power surges. On/off master switch with indicator light allows you to control all the outlets at once and lets you know that the protection is active. With 6 grounded outlets and a 3-foot cord you can protect multiple items and extend the reach to your wall outlet. 270 Joules protection against surges that can come during storms or other power grid interruptions. Use at home, in the office, or take one when you travel to protect your equipment on the go and create extra outlets when you need them. Durable and lightweight ivory colored plastic housing. UL Listed for safety and quality.

FEATURES:
