

#### A Series

# Sunlite 40451-SU LED A19 Colored Light Bulb, 3 Watts (25w Equivalent), E26 Medium Base, Non-Dimmable, UL Listed, Green 3 Pack

**Colored Series** 

## **DESCRIPTION:**

Sunlite's colored LED A19 bulbs produce a beautifully colored light that only consumes 3 watts of energy. These efficient sources of light offer significant energy savings. These low cost bulbs also feature Medium (E26) bases, and are designed to be suitable for a variety of scenarios and settings, such as holiday parties, birthday events and more while lasting up to 25,000 hours on average.

#### FEATURES:

- Sunlite's green LED light bulb is the perfect option for your space when you are looking to add some flare with a green light
- Using only 3 watts of energy, this bulb will give you an output equal to a 25 watt incandescent light bulb
- Ideal for parties, holiday lighting or to show support for your special causes
- These bulbs will last an estimated 25,000 hours making them virtually maintenance free
- Tested and certified by the high standards of UL make this bulb a safe option for your home or office
