# ABOUT US

For over 40 years Sunshine Lighting has been providing quality and affordable solutions to the lighting industry and has evolved into a multinational enterprise, growing at a rapid pace to become a leading lighting manufacturer in North America. Sunshine Lighting offers a wide array of products under multiple brands including MKS LED®, Ambiate® and Sunlite® lamps and luminaires. We take great pride in maintaining a personal relationship with each customer. Sunshine Lighting has gained a reputation for quality and affordability while keeping up with the latest technologies.

The Sunlite® brand was introduced in 1996 to provide select lighting technologies consisting of Indoor, Industrial and Outdoor LED and Non-LED fixtures, as well as LED, Compact Fluorescent, HID, Halogen, Decorative, Miniature, Specialty, Stage and Studio lamps. Our dedicated team of technical and product specialists ensures that our products designed with safety and the environment in mind. Most products carry the Underwriters Laboratories (UL), Intertek's ETL Listing, Department of Energy (DOE) Energy Star certifications, Design Lights Consortium (DLC) qualified products listing, and/or the American Lighting Association (ALA) among others.

Through customer interaction and feedback, we introduce new and innovative products to the marketplace as well as continually improving our existing line of Item#s to meet the high expectations our customers have come to rely on us. In addition, we provide exclusive service to customers whether it's a product tweak, modification, or full custom product, Sunshine Lighting's dedicated engineering and project management team is ready assist.
